

SUPPLIER OF QUALITY INDUSTRIAL INSTRUMENTATION

Level

Sonar
Microwave
Conductive
Capacitive
Hydrostatic
Ultrasonic
Radar
Radiometric
Vibronic
Switches

Pressure

Process
Differential
Hydrostatic
Switches

Temperature

Sensors
Transmitters
Controllers
Infrared
Thermal Imaging Cameras

Analysis

Thickener Bed level
pH/ORP
Oxygen
Chlorine
Colorimetric
Turbidity
Multi Parameter
On-Stream Analysis
Portable Samplers
Bench and Lab Units
Conductivity

Electrical and Electronic

Power Supplies and Relays
Signal Isolators and Converters
Surge Protection
Electronic Interfaces
Electrical Connectivity
Remote I/O
Recorders and Data Loggers

Safety Equipment

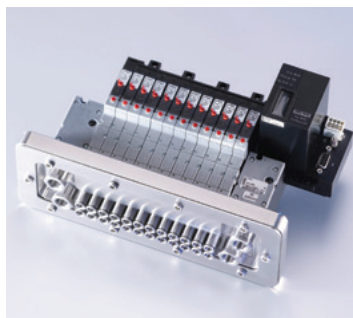

Portable and fixed gas detection

Flow

Vortex
Electro-magnetic
Coriolis
Thermal Mass
Ultrasonic
Flow Computers
Switches

Valve and solenoids

Knife Gate Valves
V-Port Ball Valves
Check Valves
Severe Service Control Valves
Pneumatic and Electronic Positioner's
Solenoid Valves
Angle Seat Valves
Diaphragm, Butterfly and Ball Valves
Globe Valves
Actuation Control Systems
Micro Fluidics
Electronic Actuation
Pneumatic Actuation
Hydraulic Actuation
